Irvine-based Essex Realty Management and Richard Cohen Landscape Inc. in Lake Forest were awarded a Landscape Beautification award by the California Landscape Contractors Association for their work at the Rancho Business Center in Lake Forest. Both property management companies helped upgrade the irrigation system and custom-fit the entryways with shrubs at the center. The Rancho Business Center is made up of 31 buildings on more than 12 acres south of the Foothill (241) Toll Road on Bake Parkway.
